Lord Hear Us Now!

Our prayers may be awkward. Our attempts may be feeble. But since the power of prayer is in the one who hears it and not in the one who says it, our prayers do make a difference.

ATTENTION!! Mark your calendars! We are going to have an
Operation Barnabas National Conference

with great speakers, training opportunities and networking on March 15th and 16th, 2018 in at the Airport Hilton in St. Louis, MO. Please contact Nancy Rowley at nancy.rowley@lcms.org or (314) 996-1337 for more information and registration.

Objectives of Operation Barnabas:

1. Care for Reserve chaplains and their families and congregations.
2. Train and assist local congregations in the care, support and outreach to all military connected people in their congregations and their communities.
3. Serve as a resource to other organizations that provide care to military connected people.

Our desire is to enable our congregations to lead their communities in welcoming these military families back home. They have borne the weight of repeated deployments, and we can prepare to receive them home in concert with local chambers of commerce, schools and medical facilities.
