"Those speak foolishly who ascribe their anger or their impatience to such as offend them or to tribulation. Tribulation does not make people impatient, but proves that they are impatient. So everyone may learn from tribulation how his heart is constituted."  
Martin Luther

"Young women within our churches are watching how we as the Christian community treat unplanned pregnancy within our own four walls. Yes, it is very important to educate our people on the dangers of abortion and the value of life. But we will fail as life advocates if we do not demonstrate compassion for those among us who find themselves caught in the web of unplanned pregnancy." *Diane E. Schroeder, former president of Lutherans For Life - A Life Quote from Lutherans For Life • [www.lutheransforlife.org](http://www.lutheransforlife.org)*
