Pray for the recovery efforts, the affected churches, and particularly for those who are unable to recover financially from this sad event. Pray for the grace and love of God for all.

For the families and friends of those affected by Thousand Oaks shooting in California: That the peace and comfort of God be in their hearts as they process the aftermath of such a senseless, tragic, and violent incident.

Also, for the families and friends of the very tragic and extensive fires taking place in various locations on the same state. For quick confinement and extinction of the fires and for the difficult task of emotional and material reconstruction.
